About Me

Passionate Full-Stack Developer with a strong foundation in front-end technologies, including HTML, CSS, and JavaScript. Experienced in building dynamic and responsive user interfaces using React, Tailwind CSS, Material-UI (MUI), Bootstrap and Proficient in NextJs. Currently, I am expanding my skill set in back-end development with a focus on NodeJs, ExpressJs, and MongoDB. I am constantly staying updated with the latest industry trends and technologies, ensuring that I can deliver cutting-edge solutions that meet modern standards. Collaborative by nature, I thrive in team environments and enjoy working with cross-functional teams to bring ideas to life.
